

Junior / Young Rider Dressage Clinics

Sponsored by CDS Club 100

One clinic in the north, and in the south

CDS prides itself on offering top quality educational events for the members. Be sure to take advantage of this opportunity to learn from top instructor Kathy Pavlich in a friendly group event.

The JR/YR clinic format is one evening lecture and two riding days. Each Chapter will pay \$150 and select one Junior or Young Rider by draw to represent the Chapter. The Rider will pay no clinic fees, but is responsible for travel, hotel and stabling expenses.

Riders can apply to Club 100 for help with travel and stabling.

**CHECK WITH YOUR CHAPTER TODAY
AND GET YOUR NAME IN FOR THE DRAWING**

KATHY PAVLICH ~ I have competed several horses through Grand Prix and am a USDF bronze, silver, and gold medalist. I have enabled two clients to attain their bronze medals and five others their silver medals on horses I owned and trained, along with many more achieving medals on their own mounts.

I have numerous California and USDF Region 7 championship and reserve championship titles from 3rd level through Grand Prix, and have placed in the top five nationally many times.

I competed at the USEF Dressage Festival of Champions in Gladstone during a Pan American Games selection year.

I currently hold a USEF "R" license for dressage and have been accepted into the "S" program. I enjoy traveling and judging but my first passion is training. I enjoy watching the horses improve as my clients develop their skills as riders!

Southern Clinic: APRIL 30- MAY 2

at Hi Hopes Farm (Redlands)

organized by Sara Mosqueda

smosqueda@hemetusd.org 909-203-9290
