- 👑 Learn to work more as a team with your horse while improving response to aids, building strength, tempo and confidence.
- 👑 Enjoy a fun environment in a small group setting of no more than four riders in a session.
- 👑 Create a sports horse that is highly maneuverable, can rapidly and smoothly collect or extend the gaits, stop, turn and remain balanced.
- 👑 Begin with as few as four cavaletti and graduate up to eighteen or more!
- 👑 Encourages the horse to improve the shoulder movement, engage the back, hind leg and to develop the topline necessary for correct carriage.
