

CDS Club 100 Grant Fund - Chapters

CDS Club 100 Grant Fund

CDS Club 100 Grants are available to Chapter functions for CDS Youths and to Junior/Young Rider Individuals as well. Chapters are encouraged to provide both mounted and unmounted activities.

CDS has set aside certain Club 100 funds each calendar year for this purpose. CDS would like to support junior riders and young riders. The Grant money can be used for any dressage educational clinic or event. If your Chapter is interested in a Club 100 Grant, please send in this application to the CDS Central Office.

In 1996 Club 100 was established as tool for juniors to have available as many educational activities as possible. Chapters are encouraged to provide both mounted and unmounted activities. The Club 100 funds can be applied for by CDS chapters to defray costs.
