

In 1996, Mary Schrader created **Club 100** as a vehicle to create funds for Junior educational endeavors. Her initial thought was to raise \$10,000 annually, which meant one hundred people would donate \$100. At that time CDS had about 4,500 members and it did not seem to be an insurmountable goal to reach 2% of our membership to contribute.

During the past years, we have had riding clinics, programs at the Junior Championships, and offered grants to individual Juniors (a total of \$3,000 per year is available).

Over the years more than 100 people have made donations, but not every year. We have four lifetime members, who donated \$1000 each. All of these donations are very much appreciated, and we hope that next year will be a much better year!

On this page you will find a renewal form for Club 100. Please support education for our Juniors.

CDS CLUB 100 RENEWAL

Name _____

Address _____

City _____ State _____ Zip _____

Phone _____ Fax _____

Check Visa MasterCard

Credit Card # _____
